

MSSC 480/481 Management and Systems Science

Fall 2007
Evening Course

Students requiring accommodations as a result of disability, must contact the Centre for Students with Disabilities 604-291-3112 or csdo@sfu.ca

Instructor: [Dr. Tom Loughin](#) (Surrey)

Prerequisite:

Completion of all required lower division courses and at least 15 upper division credits required in the program, or permission of the instructor.

Course Description:

A seminar primarily for students undertaking a major or an honors program in management and systems science.

Outline:

This seminar brings speakers from off-campus to speak to students about professional experiences and careers related to the disciplines that MSSC includes. The first time it is taken the credit is for MSSC 480 and the second time it is MSSC 481.

MSSC majors and honors must take both MSSC 480 and 481 but the seminar may also be taken as an elective by non-majors, on approval of the MSSC coordinator.

The course is normally taken in the final semesters of the student's undergraduate program.

Grading Scheme

Evaluation is based on attendance at the seminars, participation in the seminars, and the submission of a brief report on each seminar.

Attendance	33%
Reports	33%
Participation	33%

Students should be aware that they have certain rights to confidentiality concerning the return of course papers and the posting of marks. Please pay careful attention to the options discussed in class at the beginning of the semester. Students are reminded that Academic Honesty is a cornerstone of the acquisition of knowledge. Scholarly integrity is required of all members of the University. Please consult the General Guidelines of the calendar for more details.
