REGISTRAR NOTES:

Each student is responsible for his or her conduct as it affects the University community. Academic dishonesty, in whatever form, is ultimately destructive of the values of the University. Furthermore, it is unfair and discouraging to the majority of students who pursue their studies honestly. Scholarly integrity is required of all members of the University. <http://www.sfu.ca/policies/gazette/student/s10-01.html>

SFU's [Academic Integrity web site](#) contains information on what is meant by academic dishonesty and where you can find resources to help with your studies. There is also a section on [tutoring](#).
