

Normal Posting Practices and Timelines

For Sessional Instructor Positions

The Department of Statistics and Actuarial Science's normal posting dates and timelines for Sessional Instructor positions are as follows:

For Spring term (January-April) positions posted on October 24.

All postings will remain open and accessible for two (2) weeks.

The department requires from applicants to submit a cover letter stating their qualifications for the job.

Inclusion of short curriculum vitae together with any information about the quality of applicant's teaching is appreciated.

Postings are subject to budgetary and enrollment requirements.
